

6th March 2019

Dear Parents / carers,

As you will know, children in Year 6 take part in National Curriculum Tests (commonly called SATs) in the Summer term. We are holding a SATs information meeting on Friday 15th March at 3:30PM.

During this meeting we will cover:

- The content of the three tests:
 - Reading
 - Grammar, punctuation and Spelling
 - Maths
- Examples of past papers
- How the tests are marked and the results are used
- What happens during SATs week
- The extra support available to all children
- How we prepare children at school
- How you can help your child at home

The meeting will be held in the main school hall, please come in through the School Office. There will be activities available in an adjacent classroom for younger children.

We hope to see as many of you there as possible

Regards

Mr Mold
