

WELCOME

WELCOME TO NEW PARK PRIMARY ACADEMY

Moving to a new a school can be a bit scary. Leaving behind friends and a familiar routine, it's normal to feel nervous. That's why we have created this booklet. To show you all the exciting things that happen at New Park. We can't wait to meet you!

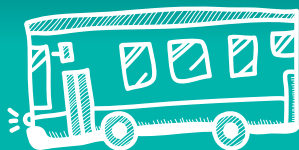

At the back of this booklet there is a treasure hunt of things to find around school. Can you tick them off before the end of your first week?

On your first day, you will be buddied up with another service pupil. This person will also travel with you on the bus so you will have probably already met them before you even arrive at school. They will be there to show you around and help you if needed.

Robert Mold
Headteacher
New Park Primary
Academy

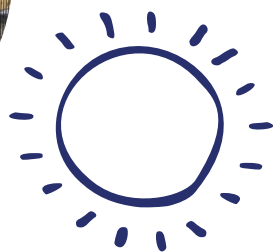

BUS

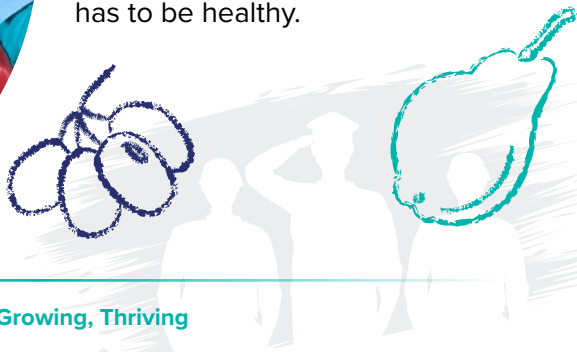

We travel to school and home again on the bus. There are lots of service children who will travel on the bus with you.

When we get to school we are met by the Teaching Assistant from your class. They take us to our classrooms and then at home time they make sure we get on the bus safely.

LUNCH

At lunch time we all eat our lunch together in the hall. We think the lunches are delicious. If you want to have a packed lunch, it has to be healthy.

FARM

We are very lucky to have a small farm on our school field.

We have goats, chickens and farm allotments. Each class takes it in turns to look after the animals. We have to feed them, make sure they have clean beds and we even get to collect the eggs the hens have laid. It can get very muddy at the farm so it's important we bring our wellies when it's our farm week!

GROWING

EXTRA CURRICULAR

We run lots of different clubs after school every week. These range from Science, Lego, Art, Dance, Cycling, Cross Country and Football. Everyone learns to play a musical instrument too!

We are also very lucky to have some one come in and teach us how to ride a bike if we can't already do that.

CHRISTMAS DINNER

At Christmas we invite our family in to come and share a Christmas celebration lunch. We eat lots of yummy food, pull crackers and even sing some Christmas carols.

THRIVING

FAMILY BREAKFAST

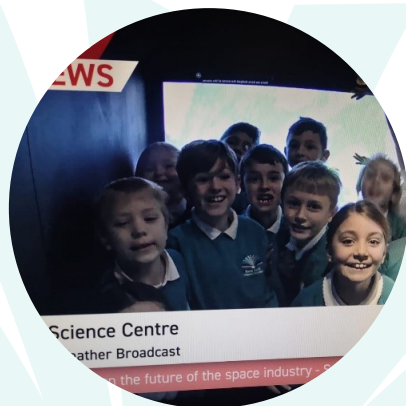

Every term we hold a family breakfast for everyone. This is an opportunity for us all to sit together with our family and friends and enjoy a delicious breakfast before school.

TRIPS

We go on lots of trips throughout the year. We sometimes go on family trips to the seaside. It's so much fun. We have a picnic on the beach and even get to paddle in the sea.

ENGLISH

At New Park we love reading and each class has its own special library of our favourite books. Our teachers read to us every day and Mr Mold even reads us books in assembly too!

NURTURING

TREASURE HUNT
