

Reception

Inside your child's pack you will also find a suggested daily timetable, some worksheets, a phonics booklet, some reading material, a list of suggested apps and websites, a workbook and a pencil. Thank you for your support during these uncertain times. Take care of yourselves and each other, from Miss Foster 😊

Maths	English	Other activities	Other activities
<p><u>Comparing amounts</u> In 5 minutes see how many red things you can find in the house and how many blue things. Count out what you have found. Which has the most/fewest?</p>	<p>Practise your phonics sounds daily. Use a pencil to point to them and say you sounds. Ask a friend or grown up to point to the sounds for you to shout out. Timed sounds practise- Put a 2 minute timer on. How many sounds can you read in 2 minutes, How many can you write in 2 minutes?</p>	<p>Do some daily exercise. Search 'Cosmic yoga' on youtube and show your parents what we do in class. Search 'Jack Hartmann' on youtube for some Brain Breaks. Physical Development</p>	<p>Play Eye Spy with your friends. Use your phonics skills to hear the first sound in each word. Personal, Social & Emotional</p>
<p><u>Shape hunt:</u> Learn the names of the 2d and 3d shapes. Go on a shape hunt around your home and see what you can find. You could Write down, draw or take pictures of what you have found.</p>	<p>Play 'red word' Bingo. Ask your child to write down 6 of their red words. You can call them out for them to cross out. When they have got them all they can shout 'BINGO', then swap roles. Timed red words- Put a 2 minute timer on. How many red words can you read in 2 minutes. How many can you write in 2 minutes?</p>	<p>Animal Antics: Use your body to pretend to be different animals. Snake: slither across the floor Butterfly: flutter around the room Elephant: stomp with both feet Kangaroo: bounce around Frog: hop like a frog Flamingo: stand still on one leg Physical Development</p>	<p>Find a simple playdough recipe and make some playdough at home. Understanding the World</p>
<p><u>Ordering numbers to 20.</u> Ask your grown up to write numbers 1-20 on post-it notes or small bits of paper and hide each number around the house. Go on a hunt for the numbers and put them in order. You could write them out in your workbook.</p>	<p>Write a letter to a friend, family member or someone you love. Use your phonics to sound out the words and think about what you would like to say. Draw them a picture to go with your writing and deliver it! 😊 It will cheer someone up.</p>	<p>Help your parents peg out some washing. Count out the pegs as you go. The pegs with strengthen your fingers. Physical Development</p>	<p>Play lots of board games! Practise taking turns and following the rules. You could even have a go at creating your own game. Personal, Social & Emotional</p>
<p><u>Addition.</u> We have been learning to complete number sentences using 'addition'. We have learnt to count objects or draw dots to find the answers. Complete some number sentences in this way.</p>	<p>Read your favourite book with your grown up. Then, draw your favourite character and label them. Write a sentence about the character too.</p>	<p>Junk Modelling. Use some old boxes, cards, lids etc around the house to make something you are proud of. Expressive Art & Design</p>	<p>Use utensils, pots and pans to make your own instruments (sorry parents!) Ho can you make it louder? Quieter? High? Low? Expressive Art & Design</p>
<p><u>Counting.</u> Draw some circles on a paper. Write a number in the centre, Draw or finger paint the correct number of petals to make a flower.</p>	<p>Start a journal in your exercise book. Draw a picture to show what you have done each day and write a super sentence to go with it. Ask your grown up to help you date each page. You can keep this forever.</p>	<p>Paint a picture of whatever you like. You could experiment with mixing colours. Expressive Art & Design</p>	<p>Look at some ice carefully. What can you see inside? Can you find a way to melt the ice? Understanding the world</p>
