

Y5/6

Inside your child's pack you will find:

- 👍 A pencil
- 👍 An exercise book
- 👍 2 reading books
- 👍 A copy of their TTRS and Spelling Shed logins
- 👍 Year 5/6 spelling list
- 👍 A Spelling snapper for spelling practise
- 👍 Year 6: 3 x arithmetic papers and answers (49 available on school website)
- 👍 S.M.I.R.Fs target sheet
- 👍 Indoor maths activity ideas
- 👍 Well-being sheets
- 👍 Intervention support for those who receive it – Fine motor, spelling, reading

There is a list of free online resources on the school website.

Take care of yourselves and each other. We will miss you. Mrs Constable and Miss Cornelius 😊

Maths	English	Projects
<p><i>Spend at least 15 minutes a day practising your <u>times tables</u></i></p> <p>https://trockstars.com/ https://www.topmarks.co.uk/maths-games/hit-the-button https://www.timestables.co.uk/ http://snappymaths.com/ <u>Y6 Arithmetic practise: school website</u></p>	<p><i>Spend at least 15 minutes a day practicing your <u>spellings</u> (see spelling list overleaf)</i></p> <p>https://play.edshed.com/login</p>	<p><i><u>Create a Fact File about a subject of your choice.</u></i> e.g. an animal, a species, a location, a vehicle, an artist, a musician etc.</p>
<p>Maths Games: <i>Choose a maths game to play each day. Have a go at inventing your own maths game.</i></p> <p>https://matr.org/blog/fun-maths-games-activities-for-kids/</p>	<p><u>Holes</u> Think of all the fabulous work you have done on our novel 'Holes' this year.</p> <ul style="list-style-type: none"> - Write a letter as Stanley and try to explain your innocence and ask to come home - Draw a picture of the tents where Stanley sleeps in Camp Green Lake - Write a diary as Stanley explaining how you are feeling. - Use the plans we have completed to write a report on the Yellow Spotted Lizard. 	<p>Create a family tree. Record your family members, and as many ancestors as your family can remember.</p>
<p>Column Multiplication – 3 digit x 2 digit Why don't you use a dice/number cards to generate your numbers and make some column multiplication questions of your own! Remember the rules for regrouping.</p> <p>Division (bus stop method) – 3 digit ÷ 2 digit Why don't you use a dice/number cards to generate your numbers and make some division questions of your own! Remember the rules for exchanging.</p>		<p>Design your dream house or garden. Create a picture that shows the design of your dream house.</p>
<p>Fractions</p> <ul style="list-style-type: none"> • Adding fractions • Subtracting fractions • Multiplying fractions • Dividing fractions • Converting between mixed numbers and improper fractions. • Converting between fractions, decimals and percentages. 		<p>Go on a virtual field trip! The Amazon rainforest, Egypt's pyramids or an art gallery! https://www.virtualfieldtrips.org/ https://www.nationalgallery.org.uk/visiting/virtual-tours/google-virtual-tour</p> <p>Write about what you saw on your virtual tour.</p>
<p>Multiplying and dividing by 10,100,1000 Generate a 1 or 2 digit number with a dice and multiply and divide it by 10,100,1000</p>	<p><u>Write a book review for any and all books you read.</u> Did you like it/not like it? Why? What were the characters like? What was your favourite part? Redesign a new book cover and blurb for it.</p>	<p><u>Keep a record of at least one good thing that happens every day.</u> No matter how big or small. You can write it/draw it. Keep them all safe in a good times jar/pot.</p>
<p>Money Add all the loose change in the house. Make your own shop.</p>
