

## Nursery Literacy Home Learning

In Reception, your child will become familiar with 'Read Write Inc, our school's approach to learning phonics. Daily lessons are being uploaded to Youtube if you wish to view these ahead of September. Your child will need either a pen and pencil or a whiteboard and pen if you wish for them to join in with these lessons.

1. Open Youtube.
2. Search 'Ruth Miskin Read Write Inc' and subscribe to this channel. Click here to see all the videos.

3. Set 1 is the first set of sounds (single sound like m, a, s,d)

4. It is important your child is confident with hearing the initial sound in words, appreciates rhyme and rhythm and alliteration, and can hear the blends in simple

phonetically correct words eg. C-a-t, d-o-g, prior to starting this programme. You can consolidate these skills on phonicsplay website. This is currently free to parents

Username: march20

Password: home

5. There are some fantastic lessons available to 'foundation stage' which includes Nursery class on the Oak National Academy website. The writing based lessons are not yet appropriate for our class but other lessons are well worth watching and interacting with. You can navigate the site to look at previous lessons and other subjects too.

Please share any work completed on Tapestry.
