

Phonics/ Literacy Activities

In reception the children have daily phonics lessons, this where they learn their sounds. If your child is at home we recommend that you focus on one 'sound' a day. At New Park we followed the Read, Write Inc. phonics scheme (RWI). Search 'RWI Phonics' on youtube and choose one video from this section to watch. Once you have watched the video discuss words which you know that begin with this sound e.g. Snake, spoon and sausage for the sound S. Then Practise writing this sound.

Youtube videos

Other phonics activites.

We also recommend watching some 'Alphablocks' episodes on BBC iplayer and completing the phonics worksheets attached
